Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the SR-210/5th Street Interchange Project in the surface transportation reauthorization legislation.

The sponsor for this project is the City of Highland, Caltrans, and SBCTA, and the project is located at 27598 W 5th St, Highland, CA 92346.

The funding is designated for construction of additional turn lanes and off-ramps to better direct traffic in and around the interchange.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: the improvements will compliment and greatly enhance the functionality of the freeway. It will also provide direct, safe, and efficient freeway access for vehicular and truck traffic.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

A handwritten signature in black ink, appearing to read "Jay Obernolte", with a stylized flourish at the end.
