Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Wellfield Rehabilitation and Production Capacity Restoration Project in Adelanto in Fiscal Year 2027. The entity to receive funding for this project is the City of Adelanto, located at 11600 Air Expressway, Adelanto, CA 92301. The funding would be used to rehabilitate aging municipal groundwater wells that are currently producing about 25% of rated capacity due to infrastructure deterioration. The project is an appropriate use of taxpayer funds because it will significantly bolster well production, helping support existing and future water demands.

The project has a federal nexus because the funding provided is for purposes authorized under Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Jay Obernolte
Member of Congress
