Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Isabella Boulevard Main Water Line Replacement in Fiscal Year 2027. The entity to receive funding for this project is located at 21000 Hacienda Blvd, California City, CA 93505. The funding would be used to replace 1.67 miles (8,830 linear feet) of failing 12-inch water main along Isabella Boulevard, including new valves and hydrants. The project is an appropriate use of taxpayer funds because it will improve drinking water reliability, reduce water loss, prevent service disruptions, and protect public health in a rural and underserved community.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

  
Jay Obernolte  
Member of Congress
