Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Wylerhorn main line replacement project in Fiscal Year 2027. The entity to receive funding for this project is the Crestline Village Water District located at 777 Cottonwood Dr, Crestline, CA 92325. The funding would be used to replace the main line in an area of the District that was previously Lake Gregory Water Company that Crestline Village Water District absorbed. The project is an appropriate use of taxpayer funds because it will help the District maintain water infrastructure in a remote and semi-arid community.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jay Obernolte".
