Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the California City Boulevard Extension Project in Fiscal Year 2027. The entity to receive funding for this project is the County of Kern, located at 1115 Truxtun Avenue, Fifth Floor, Bakersfield, CA 93301. The funding would be used to create a safer and more direct connection to State Route 58. The project is an appropriate use of taxpayer funds because it will help address recurring collisions at the existing intersection and improve access for residents, commuters, and military personnel.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jay Obernolte
Member of Congress
