Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Palmdale Boulevard Hydrology and Feasibility Study in Fiscal Year 2027. The entity to receive funding for this project is the Los Angeles County Department of Public Works, located at 900 S. Fremont Ave, Alhambra, CA 91803. The funding would be used to conduct a hydrology study to evaluate the feasibility of developing risk assessments and roadway solutions that enhance safety, accessibility, and quality of life for communities around Big Rock Creek. The project is an appropriate use of taxpayer funds because recent storms have highlighted vulnerabilities in road infrastructure within the Big Rock Creek watershed.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jay Obernolte
Member of Congress
