Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Regional Park Pedestrian Safety and Circulation Project in Fiscal Year 2027. The entity to receive funding for this project is the Town of Yucca Valley, located at 57090 29 Palms Hwy, Yucca Valley, CA 92284. The funding would be used to create enhanced public safety and pedestrian circulation around regional recreational and youth development centers in the Town of Yucca Valley. The project is an appropriate use of taxpayer funds because it will help eliminate unsafe street parking areas and thus ensure safe travel for children in this rural and underserved community.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jay Obernolte".
