Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Victorville's One Million Gallon Reclaimed Water Reservoir Project in Fiscal Year 2027. The entity to receive funding for this project is the City of Victorville, located at 14343 Civic Dr, Victorville, CA 92392. The funding would be used to construct a new 1-million-gallon, semi-buried, prestressed concrete reclaimed water reservoir, along with a new pump station, onsite piping, and equipment. The project is an appropriate use of taxpayer funds because it will improve water quality and access in an arid, growing community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jay Obernolte
Member of Congress
