Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Big Bear Airport Terminal Project in fiscal year 2025. The entity to receive funding for this project is Big Bear Airport, located at 501 Valley Blvd, Big Bear City, CA 92314. The funding would be used for to construct and complete a brand new state of the art terminal.

The project is an appropriate use of taxpayer funds because would enhance the overall experience for visitors and would encourage more activity in and out of our local airport which would benefit the economy.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Jay Obernolte".
