Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for tertiary upgrades to the Helendale Wastewater Treatment Plant for engineering and design purposes in fiscal year 2023. The entity to receive funding for this project is the Helendale Community Services District, located at 26540 Vista Road, Helendale, California 92342.

The funding would be used for a wastewater facility upgrade, engineering and designing drought proofing and water quality mitigation.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Jay Obernolte  
Member of Congress
