Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hesperia Cataba Road Realignment Project in fiscal year 2025. The entity to receive funding for this project is San Bernardino County, located at 385 N. Arrowhead Avenue, San Bernardino, CA 92415. The funding would be used to realign Cataba Road and install new traffic signals at its intersection with Ranchero Road in unincorporated Hesperia, greatly improving the safety of drivers and pedestrians.

The project is an appropriate use of taxpayer funds because this very significant and dangerous non-alignment is a hazard to traffic and pedestrian safety. The project has a Federal nexus because the funding provided is for purposes authorized by subsection 2 of 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jay Obernolte".
