Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the New Maintenance and Administration Facility Project in fiscal year 2025. The entity to receive funding for this project is the Mountain Area Regional Transit Authority, located at 41939 Fox Farm Rd. Big Bear Lake, CA. The funding would be used to construct a 1-story, 11,470 SF prefabricated metal maintenance building with service bays, a bus wash, and other support spaces for drivers and the bus fleet; as well as a 11,200 SF administration building with a board room, break room, communal workspaces, etc.

The project is an appropriate use of taxpayer funds because this contribution will go directly towards improving Mountain Transit's vital infrastructure for years to come, thus greatly advancing the national public transportation system.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jay Obernolte
Member of Congress
