Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Roadway Drainage and Flood Prevention Project in fiscal year 2025. The entity to receive funding for this project is the City of Hesperia, located at 9700 Seventh Avenue, Hesperia, CA 92345. The funding would be used to construct berms and roadway improvements along highly trafficked corridors.

The project is an appropriate use of taxpayer funds because it will enhance flood protection by eliminating flooding along Mariposa and Mesquite Road, reducing maintenance costs, improving local water supplies, improving local water quality, and reducing sediment transport to the Mojave River in addition to potential flood damage to private properties. The project has a Federal nexus because the funding provided is for purposes authorized by subsection 10 of 23 USC 133(b).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jay Obernolte
Member of Congress
