Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Yucaipa Branch Library in fiscal year 2025. The entity to receive funding for this project is the city of Yucaipa, located at 34272 Yucaipa Blvd., Yucaipa, CA 92399. The funding would be used to build a new library for the city of Yucaipa.

The project is an appropriate use of taxpayer funds because having the resources and educational amenities associated with a new state of the art library available in their own neighborhood will make a significant difference in the lives of these disadvantaged children and adults alike. The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Jay Obernolte
Member of Congress
