Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Upper Rancho Water Replacement Project - Phase 2 for Fiscal Year 2026. The entity to receive funding for this project is the City of California City, located at 21000 Hacienda Blvd, California City, 93505.

The funding would be used to replace damaged water valves, central lines, and hydrants and conduct accurate mapping of water infrastructure in the Upper Rancho area. The project is an appropriate use of taxpayer funds because the City has not been able to fix the underlying deficiencies given their already limited resources are constantly used to patch problems.

The project has a federal nexus because the funding provided is for purposes authorized by Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jay Obernolte".
