Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Crestline Village Water District's Water Efficiency and Infrastructure Update for Fiscal Year 2026. The entity to receive funding for this project is the Crestline Village Water District, located at 777 Cottonwood Dr, Crestline, CA 92325. The funding would be used to update the Water District's meters with new technology. The project is an appropriate use of taxpayer funds because it will streamline the Water District's State reporting, increase accuracy, and save staff time without having to correct the errors that consume resources for this underserved and rural community.

The project has a federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jay Obernolte".
