Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Ranchero Road Corridor Phase IV Street Improvements Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Hesperia, located at 9700 Seventh Avenue Hesperia, CA 92345. The funding would be used to upgrade Ranchero Road from Danbury Avenue to I Avenue, transforming it into an 80-foot-wide corridor with two travel lanes in each direction and a sidewalk along the south side. The project is an appropriate use of taxpayer funds because it will improve pedestrian access and safety, particularly for students attending the nearby schools.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jay Obernolte".
