Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Palm Avenue Pedestrian Safety Improvements and Stormwater Drainage Installation project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Yucca Valley, located at 57090 Twentynine Palms Highway, Yucca Valley, CA 92284. The funding would be used to support a project widening Palm Avenue to a 2-Lane Collector with Striped Median within a 66' right-of-way, with the inclusion of curb, gutter, sidewalk, striping, and street lighting. The project is an appropriate use of taxpayer funds because it will create a safer street for motorists and pedestrians, which include school-aged children and their families as well as improve the Town's resiliency to flooding with new stormwater drainage.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
