Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the new Victorville Police Station Technology Advancement to Develop Real Time Crime and Viewing Center in Fiscal Year 2026. The entity to receive funding for this project is the City of Victorville, located at 14343 Civic Dr, Victorville, CA 92392. The funding would be used to develop a real time crime and viewing center, including system integration, enhancing criminal investigation, police response, and crime prevention in the city.

The project is an appropriate use of taxpayer funds because it will play a critical role in enhancing criminal investigation, police response, and crime prevention in this working-class city.

The project has a federal nexus because the funding provided is for purposes of section 1701(b)(8) of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10381(b)(8)).

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Jay Obernolte  
Member of Congress
